

Marriage Course in English February and March 2012

**Onze Lieve Vrouwekerk
Keizersgracht 218 B, Amsterdam**

Marriage is like a journey that involves the totality of a person. In that journey you partner with another person and pledge to share inner thoughts, become best friends and one flesh, resolve conflict when it arises and strive for happiness together. Christians consider marriage a vocation. Planning is required for all the things that you need for the journey. Imagination helps to construct a spiritual road map that tells us how to get where we want to go. This is the purpose of the marriage course we now offer.
